

Professional Bio

Commercial Real Estate Broker & Consultant

Jennifer Green has been in the commercial real estate industry for the past 17 years, specializing in sales and leasing (office and industrial). Recent assignments have included clients such as FACETS of Wisconsin, Lexington Development, Pathfinders and the Planning Council for Health and Human Services. Jennifer has an extensive non-profit practice. She specializes in assisting non-profit organizations in solving real estate needs and is often asked to speak at non-profit groups regarding real estate. Prior to joining the team in Milwaukee, Jennifer spent ten years as an architect focusing on office programming, space planning, estimating and construction management.

Services Offered: Non-Profit Consulting, Office Services, Industrial Services, Land/Building Sales, Broker Opinion of Value Reports, Construction & Bidding Management
